

Meet our four new physicians!

With the addition of these new physicians, we have more availability to meet the needs of our patients.

Dr. Qasim Husain

Dr. Qasim Husain, a New Jersey native, completed his undergraduate and medical education at the Rutgers New Jersey Medical School as part of their accelerated 7-year BS/ MD program, and was inducted into the Alpha Omega Alpha Honor society. He then completed residency in Otolaryngology-Head and Neck Surgery at New York - Presbyterian Hospital the University Hospital of Columbia and Cornell University, as well as the Memorial Sloan Kettering Cancer Center. Subsequently, he pursued advanced fellowship training in Rhinology and Skull Base Surgery at Massachusetts Eye and Ear Infirmary and Massachusetts General Hospital at Harvard Medical School. Dr. Husain is an expert in sinus and nasal disorders, with over 50 peer-reviewed journal articles and book chapters. In addition, Dr. Husain has participated in numerous presentations at national and international meetings.

Dr. Pratik Patel

Dr. Pratik B. Patel, a native of New Jersey, is excited to return to the community he calls home after training at some of the nation's most prestigious academic institutions. Dr. Patel graduated *magna cum laude* from the University of Pennsylvania in Philadelphia, Pennsylvania, earning a Bachelor of Arts in Biology. Dr. Patel earned his Doctor of Medicine from Harvard Medical School in Boston, Massachusetts. He completed his internship in General Surgery and residency in Otolaryngology – Head and Neck Surgery at Ronald Reagan UCLA Medical Center in California, serving as Chief Resident during his final year. In residency, Dr. Patel trained at multiple Los Angeles County health facilities, including Harbor-UCLA Medical Center and Olive View Medical Center, gaining extensive operative and trauma experience. He also completed pediatric training at the renowned Children's Hospital of Los Angeles.

Dr. Amit Bhojwani

Dr. Amit Bhojwani received a Master of Biomedical Sciences from the Graduate School of Biomedical Sciences at the University of Medicine and Dentistry of New Jersey in 2008. Following this, he attended medical school at UMDNJ and completed his residency in Otolaryngology – Head and Neck Surgery in 2018. Concurrently, he completed a Master of Science degree in Healthcare Management from Rutgers – New Brunswick. Following his residency, Dr. Bhojwani pursued advanced training in head and neck surgical oncology and microvascular reconstruction at the University of Kansas Medical Center. Since 2003, he has been a member of the New Jersey Army National Guard. As an Army physician, he ensures the medical readiness of soldiers for deployment.

Dr. Victoria Bones

Dr. Victoria Bones received her undergraduate degree in Molecular Biology and her Master's degree in Health and Biopharmaceutical Economics from Lehigh University in Bethlehem, Pennsylvania. Dr. Bones completed medical school at Georgetown University School of Medicine in Washington D.C. and did her internship and residency in Otolaryngology – Head and Neck Surgery at Wake Forest Baptist Medical Center. She completed research collection and provided data interpreting at Wake Forest Baptist Health. Dr. Bones is a member of the American Academy of Otolaryngology – Head and Neck Surgery.
